Scroll

A mobile application interface for a contact form. The screen is framed by a thick black border. At the top, a status bar shows a Wi-Fi signal, cellular signal, battery level, and the time 16:36. Below this is a blue navigation bar with white text links: Home, About, Courses, and Contact. The main content area has a white header with the title "Contact Form" in orange. Below the title is a large white rectangular area with a black 'X' drawn across it. The form itself is set against an orange background and contains the following elements: a "First Name" label above a white input field; a "Last Name" label above a white input field; an "Email Address" label above a white input field; a "Choose a Course" label followed by two radio button options, "Course 1" and "Course 2"; an "Additional Info (Optional)" label above a larger white input field; a blue "Submit" button; and an "Address" label. At the bottom, a blue footer bar contains a white "Contact" button on the left and three white social media icons (Facebook, Twitter, GitHub) on the right.
